**HONOR OR
 COMMEMORATE A LOVED
 ONE WITH A LASTING
 TRIBUTE**

Your donation of \$2,500 or more entitles you to a permanent paver on the sidewalk in front of the Washington Animal Rescue League. The pavers are a terrific way to create a lasting tribute to a loved one—pet or person, living or deceased. Founded in 1914, we plan to be here for yet another century—and beyond—helping dogs, cats, pet guardians, adopters, and others

throughout the Washington, DC area. So, your paver will enjoy a life of many years in front of our building that is visited by approximately 30,000 animal lovers every year.

Pavers measure 6 inches high and 9 inches wide. They can accommodate three lines of text with a maximum of 20 characters per line. Engraving and installation of your paver may take up to 90 days.

Please inscribe my paver as follows (up to three lines, 20 characters per line):

Name: _____

Address: _____

Street

City

State

Zip

Phone: _____ Email: _____

We will notify you when your paver is complete.

Your donation for this paver is 100% tax-deductible. The Washington Animal Rescue League is a 501(c)3 charity that receives no public funds; we depend entirely on the generosity of friends like you for our livelihood.

Please mail this form to us at:

Washington Animal Rescue League, Development Office, 71 Oglethorpe St., NW, Washington, DC 20011.

Or you can provide your information for your paver to our Development Office by fax at 202-726-1648 or
