The Washington Animal Rescue League

A Welcoming place for animals and the people who love them. The Washington Animal Rescue League is an animal protection group like no other. Its newly renovated facility incorporates the best design concepts from shelters around the world and takes them a step further to set a new global standard for the humane care of homeless and abused animals. The expanded shelter now comfortably houses up to 400 animals, making the League one of the largest shelters on the East Coast. The League's full-service Medical Center provides affordable veterinary care for shelter animals and the pets of low-income guardians as well as the general public. For more information: www.warl.org.

Fundraising:

We challenge each participant to raise \$100 for homeless, abused and abandoned animals at The Washington Animal Rescue League. Your gift will support such life-saving programs as adoptions, free spay/neuter, humane education, and emergency medical care for homeless animals. **Each person who raises \$100 will receive the Mutts Strut goody bag.** Visit www.warl.org for more information on our work.

Start a Team:

There is strength in numbers! Become a team captain and invite a group of your friends, family, colleagues and neighbors to join your team. As a team you can raise money together, train together, and have an even bigger impact in the lives of the animals at the League. **Individuals are more than welcome to sign up too!**

General Information

Runners and walkers meet at American University's quad (near Ward Circle in front of the Mary Graydon Center) at 9:00 a.m. on Sunday, June 1.

Parking is available at American University's Nebraska Parking Lot. Check www.warl.org for additional information on transportation.

Dog Information

Dogs are encouraged to attend, but for their safety, we ask that they participate in the walk portion only. Please do not bring stress-prone or aggressive dogs.

A water station will be provided for dogs along the walking course.

All guardians are required to clean up after their dogs.

Dogs participating in the walk must be licensed, have current rabies vaccinations, and be spayed or neutered.

Dogs must be kept on a leash no more than six feet long and under control at all times.

5K Fun Run/2-mile Walk with Dogs

Sunday, June 1st

9:00am
